Dear Friend,

This past winter's epic season saw some of the best riding and strongest registration numbers in over a decade! Dealers are already reporting strong snow-check orders as happy riders are already long forward to the 2019-20 season. Wouldn't you like to get them all together and help them get ready for another great season? You can at the 2019 Maine Snowmobile Show!

The 23rd Annual Maine Snowmobile Show at the Augusta Civic Center is the place to be October 18 – 20. It's the official start of the 2019-20 season!

The Show weekend will be full of fun, giveaways and lots of surprises! Every year we find new and exciting promotions to bring more of your customers to the Show. This year the Show will again be hosting an invitational antique sled exhibition with some of the rarest and most unique antique and vintage sleds in northern New England! There will be workshops and other activities that are all designed to bring more snowmobilers through the door!

The show advertising will be directed at the people who snowmobile in Maine with television campaigns statewide, radio spots in the Bangor and Portland Markets and social media reaching riders throughout the Northeast.

The show guide will run in the September issue of the Maine Snowmobiler, which is mailed to every person who registered a snowmobile in Maine last season – over 50,000 copies to the people who are ready to buy!

Special discounted rates are available for Show exhibitors.

Enclosed are the registration materials for the Maine Snowmobile Show. Simply fill out the registration form and return it with your payment to the MSA office as soon as possible. Last year's Show was a sellout and we're receiving requests from new vendors already – register early to ensure your spot!

The volunteers and staff of the Maine Snowmobile Association are standing by to help you make the 2019-20 season your best ever. If you have any questions or special requirements, please let us know.

SEE YOU AT THE SHOW!
